

SPRING STORMS ARE UNPREDICTABLE YOUR POWER DOESN'T HAVE TO BE!

Severe storms,
heavy rain, and
flooding can lead to
unexpected power outages.

With SEI REMC's Generator Program,
you can stay prepared and keep your
home powered, no matter the weather.

This is how our Generator Program makes it easy to stay powered and prepared:

Exclusive Co-op Discounts

Southeastern Indiana REMC members receive huge savings on Generac home generators.

Smart Savings with Load Management

Your generator automatically helps reduce strain on the grid during peak times.

Automatic Backup Power

Keep your home powered and your family comfortable when storms hit.

Flexible Financing Available

Take advantage of our 1-year financing program for total home backup solutions.

BE PREPARED BEFORE THE NEXT STORM HITS!
